

# FOUR CORNERS CHURCH | GIVING

## WHY GIVE?

Quite simply, you can't out give God. You may have heard that "it's better to give than receive." We believe "it's better to give back some of what you receive." Jesus made it clear that how we use our money is a reflection of the values of our hearts. Being generous with the things God has given us to manage is a matter of simple obedience to God.

## WHY GIVE TO FOUR CORNERS?

When you give, you enable Four Corners Church to reach more people with the life-changing message of Jesus. Marriages are strengthened, families are brought closer together, purpose is discovered, souls are saved, and people engage the adventure of walking out God's best for them. In short, your faithful giving creates places where you, your family, and your friends can experience Jesus.
